

Center Avenue Streetscape Beautification Project

Hampton Township Downtown Development Authority (DDA)

The Hampton Township DDA is developing a streetscaping project in order to help enhance the Center Avenue corridor as a strongly appealing and competitive retail environment. This project will include the following features in order to accomplish this task:

- Removal and burying of overhead utilities (electric/telephone/cable)
- Construction of new 6' wide concrete sidewalks to offer improved pedestrian and non-motorized access
- Establishment of greenbelts featuring lawn areas and decorative street trees
- Construction using existing DDA tax capture funds—will not increase taxes!!!
- Placement of decorative street lighting
- Pocket park areas including benches, trash receptacles, and decorative walks
