

City of Essexville

Community Description

The City of Essexville is located east of Bay City and west of Hampton Township. The City contains approximately 900 acres and most of the land is developed for residential use. There are significant industrial uses along the 1.4 mile stretch of the Saginaw River frontage in Essexville. According to the 2000 Census, Essexville has a population of 3,766.

Administrative Structure

The City of Essexville operates and maintains its municipal facilities under the auspices of the City Manager, in conjunction with the Department of Public Works. The Department of Public Works is responsible for park maintenance. Recreation facility planning is done with the assistance of the Recreation Committee. The Recreation Committee is composed of community residents who are appointed by the City Council. This committee reviews plans that the City is proposing in regards to recreation and makes suggestions to the city administration. The City of

Essexville does not provide any recreation programming and its recreation expenditures are used for capital improvements and maintenance.

Programming, Volunteers, and Cooperative Relationships

The Essexville - Hampton Public School District offers recreation programming to residents within the City of Essexville. These programs are coordinated through the Community Education Department. Recreation programs such as basketball, tennis, volleyball, swimming, and soccer are conducted on school facilities. The Community Education Department also offers an "Open Gym" for children and adults at various times during the year. The Essexville Little League Association sponsors baseball and softball programs for youth.
